About the Report

This report was created to educate students, prospective students, employees, and prospective employees about Aveda Institute Portland's safety policies and procedures. Portions of this report are also provided in compliance with the Higher Education Opportunity Act known as the Jeanne Clery Act. The Jeanne Clery Act requires universities and colleges to annually disclose crime statistics and certain policies related to safety and security. It is intended to provide students and their families with accurate, complete, and timely information about safety on campus to aid in making informed decisions.

Portions of this report are provided in compliance with the federal Drug-Free schools and Communities Act and the federal Student Right-To-Know and Campus Security Act. Finally, a portion of this report is provided in compliance with The Violence Against Women Reauthorization Act which amended the Jeanne Clery Act to afford additional rights to campus victims of sexual assault, domestic violence, dating violence, and stalking.

Report Preparation and Distribution

Multiple departments collaborate in order to obtain proper documentation and follow procedures outlined in this report. The Aveda Institute Portland Compliance Manager is primarily charged with compiling and publishing the Annual Security Report (ASR), working with school and enforcement agencies to collect information. The process includes gathering crime statistics from internal and external agencies where appropriate. Our goal is to publish an accurate and complete report for distribution to current and prospective students and staff.

Each year, an email notification is made to all enrolled students that provides the Annual Security Report in an attached file. Faculty and Staff receive a similar notification. Copies of the report may also be obtained through the student reporting system. All prospective students will receive a copy of this report via the student catalog. Prospective employees will receive a copy of this report via the employee handbook. Online, the report can be accessed via the Student Catalog link at avedapdx.com.

Access to Campus Facilities

Aveda Institute Portland adheres to the following precautions in order to ensure the safety of students, staff, and patrons: No one should leave the building at night alone. After the clinic floor is closed, all doors shall be locked. No one will be permitted to remain in the building alone. All students are urged to put away personal property in their lockers, and staff should keep their valuables in a secure place. If a student is dismissed, graduates or fails to return from a leave of absence it is his/her responsibility to empty his/her locker. Failure to do so will result in the lock being cut and contents boxed and held for 10 days. All locker contents held after 10 days will be disposed of.

Emergency Responses and Evacuation Procedures

The following procedure will be used to notify students and staff of a dangerous situation on the school campus; this includes the occurrence of Clery Act crimes. Instructors and staff members have received training on how to handle a pending emergency.

Timely Warning: The Director or person in charge will be responsible to send out a timely warning to the campus community by email or text regarding any health or safety situations. The instructors will ensure all students follow instructions. Any Instructor, Manager, or Director can initiate the alert. The Director or person in charge will notify the police who will notify the neighboring community of impending danger.

Thru our intercom system the following codes may be used to reflect the following:

Code 1: Evacuate the classroom immediately and exit thru the designated paths

Code 2: Evacuate only through the front staircase

Code 3: Dangerous situation outside the campus (such as a gas leak) and no one is allowed to leave the building

To Evacuate the Building (code 1) everyone evacuate the area immediately. Walk to the nearest exit. If you are with a client or if you have a client, take the client with you. Stay calm. Call the fire department, police or ambulance using 911. The person at the reception desk should find the nearest telephone and place the call immediately, but only after leaving

the building if there is an immediate threat. Provide the following information: Your name Address: Aveda Institute Portland | 325 NW 13th | Portland, OR 97209 Phone Number: Aveda Institute Portland Phone Number 503.294.6000 Nature of the call: Fire, Police, First Aid, etc. Meet on Flanders between 12th and 13th (next to Cargo) for a head count. You will be asked to stay on the line if at all possible. It is very important that you do this, as the 911 operator will need to get as much information as possible in order to provide the maximum help needed at the scene. Do not hang up unless told to do so by the 911 personnel. 911 Emergency Numbers Police Department (non-emergency) 503.823.0000 1111 SW 2nd Avenue | Portland www.portlandpolice.com Fire Department (non-emergency) 503.823.3700 55 SW Ash Street | Portland www.portlandonline.com

Aveda Institute Portland is a Drug Free Environment. The use of alcohol, mood-altering, non-prescription chemicals and the abuse of prescription chemicals on the Aveda Institute Portland campus is not allowed. The unlawful manufacture, distribution, possession or use of a controlled substance is prohibited at Aveda Institute Portland. The possession, use, and sale of illegal drugs can be enforced by both Federal and State Drug Laws.

Violation of this policy is a severe offense for which the employee or student may be terminated on the first offense. If you have been prescribed a mood-altering chemical by a physician, please notify the Director immediately. Aveda Institute Portland will not illegally discriminate on the basis of this information. Oregon has strong laws allowing vehicles used to transport illegal drugs to be seized and forfeited. Alcohol is an illegal drug for those under 21. Most drugs are illegal and a criminal conviction may bar a student from his or her chosen career path, or an employee from employment with Aveda Institute Portland. The health-risks associated with use of illicit drugs and alcohol abuse can be serious and numerous. Excessive or chronic alcohol consumption can negatively affect your heart, liver, brain, just to name a few. Alcohol abuse can also be known to cause cancer.

All employees and students, as a condition of employment or enrollment, must agree to abide by the terms of this policy. In addition, all employees and students must notify Aveda Institute Portland of any criminal drug statute conviction for a violation occurring on the campus no later than five (5) days after such conviction. Employees or students who appear to have a chemical dependency problem or any other problem that interferes with the performance of their assigned duties will be encouraged to pursue appropriate treatment. If treatment is refused or is not successful and performance is not acceptable, termination may occur. Sex Offense Investigation Procedure

All reports resulting in investigations will be prompt, fair, and impartial from the initial investigation to the final result. Investigations will be conducted by an official who has received annual training on issues related to dating violence, domestic violence, sexual assault, and stalking as well as how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability. The investigation process has been designed to provide the accuser(s) and accused with the same opportunities to have others present during any institutional disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the advisor of their choice.

In the instance of a report of dating violence, domestic violence, sexual assault, or stalking, if an investigation is deemed necessary, the student(s) may be placed on a two week leave of absence in order to fully investigate all matters in a fair and impartial matter. If more time is deemed necessary, the leave of absence will be extended. The student will not accrue any additional charges due to an investigational suspension. The student will be required to meet with the institute representative to receive the results of the investigation. Investigations may result in the following:

- Change of student schedule
- 1-5 Day Out of School Suspension served during initial two week leave of absence suspension
 - Additional fees will not result during this suspension
- 1-5 Day Out of School Suspension served after leave of absence suspension

- Additional fees may result during this suspension
- Expulsion

Student victims have the option to change their academic situations after an alleged sexual assault, if such changes are reasonably available. Living situations may not be altered by Aveda Institute Portland as the school does not offer on-campus living.

Aveda Institute Portland will simultaneously notify, in writing, both the accuser(s) and the accused of: Results of the proceedings that arise from an allegation of dating violence, domestic violence, sexual assault, or stalking. Results of investigations are final.

The accuser and the accused are entitled to the same opportunities to have others present during an institutional investigation, including the opportunity to be accompanied to any related meeting or proceeding by an advisor of their choice; and both the accuser and the accused shall be simultaneously informed, in writing of: the outcome of any institutional disciplinary proceeding that arises from an allegation of domestic violence, dating violence, sexual assault or stalking; the institutions procedures for the accused and the victim to appeal the results of the institutions disciplinary proceeding; of any change to the results that occurs prior to the time that such results become final; and when such results become final. Aveda Institute Portland, or an officer, employee, or agent of the institution may not retaliate, intimidate, threaten, coerce, or otherwise discriminate against any individual for exercising their rights or responsibilities.

During the investigation procedure, the following questions may be asked and documented.

How did you respond to the person who harassed you?

Did anyone else see or hear what happened to you?

Have you told anybody about your problem with the accused?

Have any other students or employees mentioned to you that they have experienced a similar problem with the accused?

Are there any documents or other evidence involved in the conduct?

How does this conduct make you feel?

Aveda Institute Portland will protect the confidentiality of victims to the extent permissible by law. The Aveda Institute Portland will complete publicly available recordkeeping, including Clery Act reporting and disclosures, without the inclusion of personally identifying information about the victim, as defined in section 40002(aa)(20) of the Violence Against Women Act of 1994 (42 U.S.C 13925(a)(20)); and maintain as confidential any accommodations or protective measures provided to the victim, to the extent that maintaining such confidentiality would not impair the ability of Aveda Institute Portland to provide the accommodations or protective measures.

Registered Sex Offenders

The Campus Sex Crimes Prevention Act (CSCPA) of 2000 is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed at, institutions of higher education. The CSCPA is an amendment to the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Act. The federal law requires law enforcement agencies to provide schools with a list of registered sex offenders who have indicated that they are either enrolled, employed, or carrying on a vocation. The CSCPA further amends the Family Education Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in the Act can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

In addition, a list of all registered sex offenders in Oregon is available to all members of the community. To get information specifically regarding registered sex offenders, please reference the Oregon Sex Offenders Inquiry Systems at <http://sexoffenders.oregon.gov/>

**Public Property is defined as all public property, including thoroughfares, streets, sidewalks, and parking facilities, that is within the campus, or immediately adjacent to and accessible from the campus. For the purpose of reporting, public property numbers are reflective of approximately .2 miles in circumference around the school – this is the approximate*

distance from the building to sidewalks. Crime records do not reflect distances in the instance of f rape; numbers reported under this category are reflective of a ½ mile circumference around the school.

APPENDIX B - Bystander Intervention and Risk Reduction

Bystander intervention means safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual assault, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. There are many safe and positive options for bystanders that may be carried out by an individual to prevent harm or intervene where there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than such individual. Please read below for ways to intervene and additional resources that you may review.

Everyone has a role to play in preventing sexual assault. There are many different ways that you can step in or make a difference if you see someone at risk. This approach to preventing sexual assault is referred to as “bystander intervention.”

How can I play a role in preventing sexual assault?

The key to keeping your friends safe is learning how to intervene in a way that fits the situation and your comfort level. Having this knowledge on hand can give you the confidence to step in when something isn’t right. Stepping in can make all the difference, but it should never put your own safety at risk.

A good friend knows how to CARE.

Create a distraction

Ask directly

Refer to an authority

Enlist others

Create a distraction.

Do what you can to interrupt the situation. A distraction can give the person at risk a chance to get to a safe place.

- Cut off the conversation with a diversion like, “Let’s get pizza, I’m starving,” or “This party is lame. Let’s try somewhere else.”
- Bring out fresh food or drinks and offer them to everyone at the party, including the people you are concerned about.
- Start an activity that is draws other people in, like a game, a debate, or a dance party.

Ask directly.

- Talk directly to the person who might be in trouble.
- Ask questions like “Who did you come here with?” or “Would you like me to stay with you?”

Refer to an authority.

Sometimes the safest way to intervene is to refer to a neutral party with the authority to change the situation, like an RA or security guard.

- Talk to a security guard, bartender, or another employee about your concerns. It’s in their best interest to ensure that their patrons are safe, and they will usually be willing to step in.
- Don’t hesitate to call 911 if you are concerned for someone else’s safety.

Enlist others.

It can be intimidating to approach a situation alone. Enlist another person to support you.

- Ask someone come with you to approach the person at risk. When it comes to expressing concern, sometimes there is power in numbers.
- Ask someone to intervene in your place. For example, you could ask someone who knows the person at risk to escort them to the bathroom.
- Enlist the friend of the person you’re concerned about. “Your friend looks like they’ve had a lot to drink. Can you check on them?”

Your actions matter

Whether or not you were able to change the outcome, by stepping in you are helping to change the way people think about their role in preventing sexual assault. If you suspect that someone you know has been sexually assaulted, there are steps you can take to support that person.
